VyprVPN™

What is VyprVPN?

VyprVPN is a Virtual Private Network that maintains your internet security and keeps your online privacy intact. To use our VPN service, simply login to activate a secure, encrypted VyprVPN connection.

HELLO
my name is

VyprVPN Features & Benefits

- Private web browsing, email, instant messaging, newsgroup reading, and more! Total security from your ISP, wireless, and neighborhood eavesdropping
- The ability to choose a European, Asian, or two US online identities
- Protection from data snooping and identity theft on public Wi-Fi hotspots, iPhones, PDAs, and broadband Internet
- The same access to all of your favorite applications you enjoy today

How the Referral Program Works

You will provide Powerhouse Management with banner or text ad space in primary area of your site. Ad placement influences click-through rates and associated commissions. Optimal ad visibility is recommended.

When a referred customer clicks a Powerhouse Management banner or text ad they are directed to our site. Powerhouse Management utilizes a powerful Affiliate Management Service to ensure our Affiliates can track statistics in real-time!

Commissions - When a referred customer registers for Powerhouse Management's Personal VPN service, you are paid a commission in your choice of either:

Recurring Commissions - You are paid 10% of the monthly charge for the customers you refer. Commissions are paid starting 31 days after the customer's billing start date until they cancel their service with Powerhouse Management*.

One-time Commissions - You are paid 50% of the monthly charge for the customers you refer. Commissions accrue 31 days after the customer's initial payment.

**If your monthly commissions do not equal at least \$75, the commissions are held until they equal \$75 then will be sent out accordingly.*
